TO : Chief, [REDACTED]		FROM: C/OSB/SD/OL		
ATTN:				
<p>Per discussions [REDACTED], we are forwarding the necessary data for you to review and where necessary revalue the materiel contained in allocations 51-54. Although the actual price change will be accomplished at Headquarters, it is requested that you annotate one copy of the 51-54 run with revised prices based on the following data:</p> <p><u>ALLOCATION 51:</u> Utilize the most current DoD Consolidated Master Cross Reference List (CMCRL) on all items except those listed in attachment B. Attachment B contains replacement price information on selected weapons. This information was obtained from DCSLOG and is considered more accurate than the CMCRL.</p> <p><u>ALLOCATION 52:</u> Same as above.</p> <p><u>ALLOCATION 53:</u> Utilize attachment C for price data.</p> <p><u>ALLOCATION 54:</u> Utilize attachment C for price data.</p>
